Useful Tips:

1. Passenger's name on the boarding pass should match with the valid travel document. If name on boarding pass is not correct, please call Hong Kong Airlines Hotline (852) 3151 1888 (Hong Kong), (86) 950715(China) to ask for more changing name information.
2. For online check-in passengers with baggage to be checked, you need to complete baggage check-in at our Check-in Counters at least 45 minutes prior to the scheduled departure time at Shanghai HongQiao Int'l Airport terminal. For those with hand baggage only, you can go straight through security areas with your self-printed boarding pass or the mobile boarding pass and the valid travel document.
3. Check-in Counters will close 40 minutes before the flight departs and the boarding gate will close 20 minutes before the flight departs. Passengers are advised to arrive at the airport sufficiently early to check in and pass through the necessary security areas. Hong Kong Airlines reserves the right to deny boarding of late passengers.
4. Please double check the departure time and boarding gate on the "Flight Information Display" at the airport. In case of an aircraft switch, we may need to reassign your seat.
5. If you need to cancel the online check-in, please process cancellation through online check-in website or call Hong Kong Airlines Hotline (852) 3151 1888 (Hong Kong), (86) 950715(China) to cancel before flight departure.
